From the Principal's desk:

"Children are a heritage from the Lord, offspring a reward from Him."

Psalm 127:3

THE POWER OF POSITIVE THOUGHTS:

If you have ever said or thought: 'I HATE MY PARENTS' or 'NOBODY UNDERSTANDS ME', here are a few ideas:

1. Nobody will ever love you more than your parents.
2. As a Christian, you should believe God has a plan for you. He really does.
3. Live every day as if it is your last day. Are you ready to meet our Father any day?
4. Learn to forgive. We all make mistakes, even you.
5. You are a beautiful, young person with endless potential.
6. Nobody pays your parents to love you, they just do.
7. Will you talk to your employer the way you speak to your parents and teachers? May what comes from your mouth be a blessing to others.
8. Tell yourself every day that you enjoy school and work with dedication. How long will you keep a job if you come late for work, don't keep to deadlines or just laze around doing nothing?
9. Nobody will believe in you, if you don't believe in yourself.
10. You are smarter than you think.

"When we change the way we look at things, the things we look at change."

- Wayne Dwyer

'Have a lovely week.

Mrs de Villiers

School Rules: Please ensure that you are familiar with the school rules. Ignorance is not an excuse. We thank all the parents and students who uphold the values of the school, through their compliance with the rules.

Late Arrival: An increasing number of students are arriving late each day. We ask that parents ensure that their children arrive at school before 7:45am, as late arrivals disrupt Assembly.

Crossing the Road: Jubilee Christian School employs a traffic warden to assist our students in crossing the road, safely. We ask that the parents respect her role in providing this service to our children and do not attempt to cross the road, without her guidance, irrespective of how late you may be running.

Printing: With *immediate effect*, the school will no longer be printing a student's work on the premises. Furthermore, printing requests to the secretary, from either students or their parents, will no longer be entertained. It is the responsibility of each student (and their parents), to ensure that their work is prepared, and printed, in their personal capacity.

Exam Preparation: Students have already received their examination timetables. We encourage our students to prepare adequately for their exams, to ensure that they perform to their optimal potential. We also ask that the parents support their child/ren in their endeavours.

Hair Length Compliance: Please adhere strictly to the school's policy on the length of our young gentlemen's hair.

Health Warning [Measles]: The Department of Health has issued a warning pertaining to the recent outbreak of *measles* in Gauteng. It is critically important, that each student is inoculated against this highly contagious virus. Please contact your local municipal clinic, or doctor, for vaccinations and more information.

School Diaries: All students from Grades 5 to 12 received a school diary in January. All merits and demerits are noted in the diary and parents are requested to check the diaries weekly.
