Partners in Education

As educators we feel blessed to know that we are not alone in the most challenging task of educating children. We are being supported by our wonderful parents. What makes our parents so special?

- * Our Christian parents serve as a moral compass to their children.
- * They instill their work ethic upon their children.
- * They lead by example.
- * Our parents are involved in their children's lives and activities.
- * They know their children's friends.
- * They are not blind to their children's mistakes.
- * They teach their children accountability.
- * Our parents love their children unconditionally.
- * Lastly and most importantly our parents use the Word of God as their family's GPS and that is the reason why the children of Jubilee Christian School walk with pride, run with joy and study with eagerness.

May you all have a blessed week.

Mrs de Villiers

General

We are so proud of all the learners who comply with the school rules.

Arriving on Time

Thank you to all the parents that supported their children by making sure they arrive on time at school.

Prayer Requests and Wednesday Prayer Meetings

A clearly marked box has been placed in the hall, for anonymous prayer requests. If one wishes to request prayers for a special intention, kindly place the written request in the box provided. Everyone is welcome to attend the prayer meeting, every Wednesday at first break, in Mrs de Villiers' classroom. This week, we are praying for those writing their examinations, our parents, our country and anyone facing illness or hardship.

Smiling Angels

Our sincere thanks to everyone who has donated a scarf, during our winter drive, for the less privileged. We shall be taking the scarves to 'Smiling Angels' on Monday afternoon.

Please note that there has been a slight increase to the pricing at the tuck shop, due to inflation.
